Because users, who appreciate its advantages of speed, easy operation and lasting service, would rather wait their turn for the L. C. ### HILLO BASEBALL ROW

Hilo, July 23.—The Hilo Tribune says: "Unless wiser counsels prevail the Hilo baseball team will be seen no more on the diamond this season, for while formal notice to that effect has not been given the league, the leading members of the team have declared from the house tops that they are out of the game for good."

"The trouble occurred after the game of the Sunday before last when the Hilo beat the H. A. C. team by 19 to 2. The H. A. C. entered a protest on the ground that (1) Charles Bishop Lyman, who played for the Hilo, was not a resident of Hilo; (2) that he had not paid his entrance fee to the league; and (3) that a vitally wrong decision had been made by the umpire."

"The protest was heard on Tuesday

evening, the officers present being President Wise, Messrs. Alfonso, Downer, R. Lyman, G. Desha and Johnson. The H. A. C. were represented by Messrs. Mellor and McCann and the Hilo by Messrs. C. B. Lyman and J. D. Easton.

"The first count in the protest was abandoned. To the second, the Hilo representatives stated that the Sunday before the \$2.50 entrance fee was paid when Albert Lyman played, and that this was intended to apply as the entrance fee for Charles Bishop Lyman. The plea was held to be good and the protest was allowed, the game to be played over at the end of the season. The third count was not considered."

"Both of the Hilo representatives were sore at the decision and protested that they had not got a square deal. They stated that the Hilo would not play again, and this statement has been frequently repeated by other members of the club."
